UNINSURED AND UNDERINSURED MOTORISTS COVERAGE

Uninsured Motorists coverage and Underinsured Motorists coverage are separate and distinct coverages and may be purchased independently. Both of these coverages, as well as options pertaining to them, are explained below. Please carefully read the descriptions of the coverage and options and make your selections or rejections in the appropriate places on the pages that follow.

UNINSURED MOTORISTS COVERAGE

Uninsured Motorists coverage pays you, your resident spouse, your resident relatives, reciprocal beneficiaries, and occupants of your covered autos damages they are legally entitled to recover as a result of bodily injuries or death caused by owners or operators of autos without bodily injury liability insurance or by unidentified autos. Uninsured Motorists Coverage **does not** pay for property damage.

Two options are available under the Uninsured Motorists coverage. One option is **STACKED** coverage. The other option allows you to purchase Uninsured Motorists coverage at a limit equal to, but not greater than, the Bodily Injury Liability limit you previously selected. Explanation of both options follows.

STACKED UNINSURED MOTORISTS COVERAGE OPTION

You may purchase **STACKED** Uninsured Motorists coverage. If you purchase **STACKED** Uninsured Motorists coverage, then the maximum Uninsured Motorists coverage benefits available for any one accident will be the sum total of the limits on **all** vehicles insured under this policy.

If you do not purchase **STACKED** Uninsured Motorists coverage, then the maximum Uninsured Motorists coverage benefits available for any one accident will be only the limit for any **one** vehicle, regardless of the number of vehicles insured under this policy. The advantage of purchasing **STACKED** Uninsured Motorists coverage is illustrated below.

If you have two (2) vehicles insured for Uninsured Motorists coverage with a limit of \$50,000 per person and \$100,000 per accident, then the maximum Uninsured Motorists coverage available for any one accident will be:

	STACKED	NON-STACKED
Uninsured Motorist coverage limit	\$50,000 per person \$100,000 per accident	\$50,000 per person \$100,000 per accident
Number of Vehicles Insured	2	2
Total Uninsured Motorist coverage available	\$100,000 per person \$200,000 per accident	\$50,000 per person \$100,000 per accident

INCREASED UNINSURED MOTORISTS COVERAGE LIMIT OPTION

You may purchase Uninsured Motorists coverage with a minimum limit of \$20,000 per person and an aggregate limit of \$40,000 per accident up to a maximum limit equal to, but not greater than, the Bodily Injury Liability limit you previously selected. For example, if your Bodily Injury Liability limit is \$50,000 per person and \$100,000 per accident, you may select an Uninsured Motorists coverage limit up to, but not greater than, \$50,000 per person and \$100,000 per accident.

The options discussed above can be purchased at a relatively modest increase in premium, especially when compared to the increased protection afforded to you and other eligible insureds. By purchasing both the **STACKED** and increased limit options, you may in effect have total Uninsured Motorist coverage greater than your Bodily Injury Liability limit.

In certain circumstances, your purchase of higher limits of **NON-STACKED** coverage may result in a lower premium than lower limits with **STACKED** coverage.

Example: If you insure two (2) vehicles on Oahu under your policy with **STACKED** coverage, at a limit of \$50,000 per person and \$100,000 per accident, the total Uninsured Motorists coverage available would be \$100,000 (\$50,000 x 2 vehicles) per person and \$200,000 (\$100,000 x 2 vehicles) per accident at a premium of \$84 (\$42 x 2 vehicles). However, if you insure the same two (2) vehicles with **NON-STACKED** coverage at a limit of \$100,000 per person and \$300,000 per accident, the total Uninsured Motorists coverage available would still be \$100,000 per person, but you will have a limit of \$300,000 per accident, at a lower premium of \$70 (\$35 x 2 vehicles).

The law requires us to automatically provide you with Uninsured Motorists coverage with a limit equal to your Bodily Injury Liability limit and allows us to charge you the appropriate premium if you do not select an Uninsured Motorists coverage limit.

UNDERINSURED MOTORISTS COVERAGE

Underinsured Motorists coverage pays you, your resident spouse, your resident relatives, reciprocal beneficiaries, and occupants of your covered autos damages they are legally entitled to recover as a result of bodily injuries or death caused by owners or operators of autos with inadequate bodily injury liability insurance. Underinsured Motorists coverage **does not** pay for property damage.

Two options are available under the Underinsured Motorists coverage. One option is **STACKED** coverage. The other option allows you to purchase Underinsured Motorists coverage at a limit equal to, but not greater than, the Bodily Injury Liability limit you previously selected. Explanation of both options follows.

STACKED UNDERINSURED MOTORISTS COVERAGE OPTION

You may purchase **STACKED** Underinsured Motorists coverage. If you purchase **STACKED** Underinsured Motorists coverage, then the maximum Underinsured Motorists coverage benefits available for any one accident will be the sum total of the limits on **all** vehicles insured under this policy. The advantage of purchasing **STACKED** Underinsured Motorists coverage is illustrated below.

If you have two (2) vehicles insured for Underinsured Motorists coverage with a limit of \$50,000 per person and \$100,000 per accident, then the maximum Underinsured Motorists coverage available for any one accident will be:

	STACKED	NON-STACKED
Underinsured Motorist coverage limit	\$50,000 per person \$100,000 per accident	\$50,000 per person \$100,000 per accident
Number of Vehicles Insured	2	2
Total Underinsured Motorist coverage available	\$100,000 per person \$200,000 per accident	\$50,000 per person \$100,000 per accident

INCREASED UNDERINSURED MOTORISTS COVERAGE LIMIT OPTION

You may purchase Underinsured Motorists coverage with a minimum limit of \$20,000 per person and an aggregate limit of \$40,000 per accident up to a maximum limit equal to, but not greater than, the Bodily Injury Liability limit you previously selected. For example, if your Bodily Injury Liability limit is \$50,000 per person and \$100,000 per accident, you may select an Underinsured Motorists coverage limit up to, but not greater than, \$50,000 per person and \$100,000 per accident.

In certain circumstances, your purchase of higher limits of **NON-STACKED** coverage may result in a lower premium than lower limits with **STACKED** coverage.

Example: If you insure two (2) vehicles on Oahu under your policy with **STACKED** coverage, at a limit of \$50,000 per person and \$100,000 per accident, the total Underinsured Motorists coverage available would be \$100,000 (\$50,000 x 2 vehicles) per person and \$200,000 (\$100,000 x 2 vehicles) per accident at a premium of \$168 (\$84 x 2 vehicles). However, if you insure the same two (2) vehicles with **NON-STACKED** coverage at a limit of \$100,000 per person and \$300,000 per accident, the total Underinsured Motorists coverage available would still be \$100,000 per person, but you will have a limit of \$300,000 per accident, at a lower premium of \$140 (\$70 x 2 vehicles).

PHYSICAL DAMAGE COVERAGE AND DEDUCTIBLE OPTIONS

Collision coverage and Other Than Collision coverage are the Physical Damage coverage options available to you. You may elect to purchase one or both of the Physical Damage coverage options and you may select from among several deductibles available under them. The Physical Damage coverage options are optional, unless your auto is financed. In that case, your lender may require you to purchase both of the Physical Damage coverage options.

Since your vehicle identification number helps us in determining the make and model, the vehicle’s performance and loss experience information, please provide your vehicle identification numbers below. Your renewal premium may be adjusted once your policy is in effect to account for the information we obtain from your vehicle identification numbers.

We encourage the use of higher deductibles to reduce your insurance premium on applicable coverages.

Collision Coverage

Collision coverage generally covers direct and accidental losses to your auto caused by its overturn or its impact with another vehicle or object.

For Collision coverage, the premium for the \$200 deductible is used as the base to calculate the premium for the other deductible options. A premium charge or credit is available if a deductible lower or higher than the base deductible is selected.

Please make your selection of the deductible amount below.

	Deductible Amount	Percentage Charge or Credit of the Premium for the \$200 Deductible option	Named Insured and Vehicle as shown on declaration page
<input type="checkbox"/>	\$50	25% Additional Charge

Other Than Collision Coverage

Other Than Collision coverage generally covers direct and accidental losses to your auto caused by incidents such as fire, theft, vandalism, and broken windshields. Other Than Collision coverage **does not** cover losses to your auto caused by overturn or its impact with another vehicle or object.

For Other Than Collision coverage, the premium for the \$100 deductible is used as the base to calculate the premium for the other deductible options. A premium charge or credit is available if a deductible lower or higher than the base deductible is selected.

Please make your selection of the deductible amount below.

CREDITS AND SURCHARGES

The following is a brief explanation of the credits and surcharges that may affect your premium. By understanding the factors that modify your premium, you will be able to control your premium costs.

CREDITS

1. Accident Free; Group; Hybrid Vehicle; Multi-policy; Prior Insurance and Renewal discounts are available. A discount is also available for combinations of rating factors.
2. A multi-car discount is available when two or more vehicles are owned by the same policyholder covered under one policy.
3. Defensive Driving credit requires a qualified Certificate of Completion. The credit applies to each principal operator for three years of each certification.
