

## Zywave Login

Zywave has upgraded their sidebar and it requires .NET 4.6 software. When Atlas upgrades to .NET 4.6, IT will notify you at that time. If you need to access Zywave you can use this link: [home.zywave.com](http://home.zywave.com) to log on to Zywave. You may have to right click and select reload after going to [home.zywave.com](http://home.zywave.com) for the first time. If you have any questions please email [Atlas-MIS@atlasinsurance.com](mailto:Atlas-MIS@atlasinsurance.com).
